

PRIVATE DINING

Please take a moment before you leave to visit the **Annapolitan Room**, located at the top of the stairs. Our newly remodeled banquet room is the perfect place for your next special event. Reserved for parties of 20 or more, we can accommodate up to 50 guests for a seated dinner, and up to 70 guests for a cocktail party. The room features a full bar, audio system, and a large projection screen. Our menus include both buffet and seated meal options. One of our managers would be happy to answer any questions you may have. Banquet menus are available at the host desk, or you can visit our website.
